

SUSSEX EXCLUSIVE 20K CLUB

In late 1992 Steve Mariner & Julian Deeprise got talking about 20k breaks. Although a regular occurrence in other Counties, it was still a rarity to see a 20k break in Sussex.

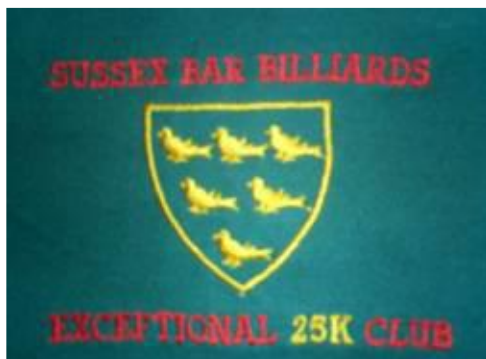

The two of them decided as from 1993 they would award a bright red shirt to any Sussex player who could achieve a 20k break in any match.

In recent years this has been taken over by Nigel Senior and Kevin Hall, before it has been passed onto the SCBBA.

Barry Holt became the 39th player to add his name to the list on the 7th December 2023. Who will become the 40th?

Those those who go on to even greater heights there is membership of the Exceptional 25k Club, who are awarded a green shirt.

There is also a separate club for those achieveing a 20k break in an Off The Spot competition.
